

To all publishers and editors on the subject of Wine and spirits

Present yourself at ProWein 2023: Hybrid offer!

ProWein 2023 will take place from March 19 to 21, 2023 at the Düsseldorf Exhibition Center. We would again like to offer you the opportunity to present yourself with your trade media on the trade press stand as well as online on our newly online trade press stand.

What we offer?

On site: The trade press stand

At the trade press stand, you have the opportunity to display up to 300 free copies of your trade magazines. Our booth staff will distribute your trade magazines to trade fair visitors and refill the displays.

Digital: The online trade press stand

The online trade press stand is a new digital offer from Messe Düsseldorf. Participation allows you to extend the presence of your trade medium to our ProWein Portal. And not only that, you can reach your readers even before the trade fair starts. The online trade press stand is online two weeks before the trade fair and also visible three Month after the end of ProWein 2022. To achieve the greatest possible awareness, the online trade press stand is online on these pages: Exhibitor, Visitor and Press pages.
